Welcome to your Volkswagen Commercial Vehicle GAP Insurance

Having Volkswagen Commercial Vehicle GAP Insurance helps to alleviate the additional worry of finding the money to purchase a replacement vehicle or help towards paying off the associated outstanding finance or lease hire charges.

Your Volkswagen Commercial Vehicle GAP Insurance has been designed to help if **your vehicle** is written off through accidental or malicious damage, fire or theft. There are two types of cover available:

1. Combined return to invoice and outstanding finance GAP Insurance - This bridges the payment gap between **your vehicle's value** and the amount **you** paid for **your** Volkswagen Commercial Vehicle or the **outstanding balance** payable to the **finance company** at the date of **total loss**, whichever is the greater amount.
2. Lease hire GAP Insurance - This bridges the payment gap between **your vehicle's value** and the **early termination charge** payable to the **lease hire company**.

For details of which type of cover is relevant to **you**, please refer to **your certificate of insurance**.

This Cover Booklet will tell **you** everything **you** need to know about **your** cover. **Your** Volkswagen Commercial Vehicle GAP Insurance is only effective with a valid **certificate of insurance** and where the appropriate premium has been paid. All the details of how to make a claim, together with any conditions that **you** must comply with, are set out in the following pages. Certain words in this Cover Booklet have a specific meaning, which **we** explain under the "Meaning of words" section.

If **you** have any questions that are not answered within this Cover Booklet or **your certificate of insurance**, please contact **us**.

Volkswagen Commercial Vehicle GAP Insurance is administered by Abraxas Insurance Administration Services Limited and underwritten by MAPFRE ASISTENCIA Compañía Internacional De Seguros y Reaseguros, Sociedad Anonima.

What is covered

This policy will only provide cover for the following. If you wish to claim for anything else, there is no cover in place.

The type of insurance that **you** have and the maximum amount that **we** will pay is specified on **your certificate of insurance**.

Volkswagen Commercial Vehicle combined return to invoice and outstanding finance GAP Insurance

If **your vehicle** is declared a **total loss** within the period of cover **we** will pay the greater of either:

- a) the difference between **your vehicle's value** and the amount **you** paid for **your vehicle**; or
- b) if **you** have a **finance agreement** in place, the difference between **your vehicle's value** and the **outstanding balance** payable to the **finance company** at the date of **total loss**.

If **you** have a **finance agreement** in place and this is still outstanding after 36 months, this policy will provide additional coverage for a further 24 months at no extra cost. If **your vehicle** is declared a **total loss** in this period, this policy will cover the difference between **your vehicle's value** and the **outstanding balance** payable to the **finance company**.

Any settlement due under a) will be paid to **you** and any settlement due under b) will be paid to the **finance company**. If there is any amount still owing on the **finance agreement** after **your** claim has been settled, it will be **your** responsibility to settle the remaining balance.

If the **finance agreement** is settled, or for any reason ceases to exist prior to the **total loss** of **your vehicle**, this policy will only provide cover under a).

Vehicle accessories

If **we** make a payment, the settlement amount will include all options and accessories fitted to **your vehicle** by the vehicle manufacturer or **Volkswagen Van Centre** as per **your certificate of insurance**.

Finance deposit allowances

If the manufacturer or **finance company** contributes an amount toward the purchase of **your vehicle** and this appears on the original sales invoice, **we** will include this in any settlement that **we** make, up to the amount specified on **your certificate of insurance**.

Motor insurance excess contribution

If **you** incur an **excess** as part of any **total loss** motor insurance settlement and **we** authorise **your** claim (regardless of whether any settlement can be made), **we** will pay **you** up to the limit specified on **your certificate of insurance** toward the cost of **your** motor insurance policy **excess**.

Volkswagen Commercial Vehicle lease hire GAP Insurance

If **your vehicle** is declared a **total loss** within the period of cover and **you** have a **lease or hire agreement** in place **we** will pay the difference between **your vehicle's value** and the **early termination charge** payable to the **lease hire company**.

Any settlement will be paid to the **lease hire company**.

If there is any amount still owing on the **lease or hire agreement** after **your** claim has been settled, it will be **your** responsibility to settle the remaining balance.

Advance rentals

If **we** authorise **your** claim (regardless of whether any settlement can be made), **we** will pay up to the limit specified on **your certificate of insurance** toward the cost of the **advance rentals** detailed in the **lease or hire agreement**.

This amount is in addition to the maximum amount payable under this policy, and **we** will only pay **advance rentals** not covered by any other insurance.

Motor insurance excess contribution

If **you** incur an **excess** as part of any **total loss** motor insurance settlement and **we** authorise **your** claim (regardless of whether any settlement can be made), **we** will pay **you** up to the limit specified on **your certificate of insurance** toward the cost of **your** motor insurance policy **excess**.

Where and when

You are covered from the start date listed on **your certificate of insurance** until the earliest of the following:

- a) the end of the period of cover shown on **your certificate of insurance**, unless there is still an **outstanding balance** due on the **finance agreement**. If there is an **outstanding balance**, **your** cover will be extended until 60 months from the start date listed on **your certificate of insurance**, or until the date on which there is no longer any **outstanding balance** due.
- b) the date on which a claim is paid under this policy.
- c) the date this policy is cancelled.
- d) the date **your vehicle** is no longer covered by a comprehensive motor insurance policy.
- e) the date **your vehicle** is sold, repossessed, or transferred to another party who is not an immediate family member (i.e., parent; spouse; civil partner; son or daughter).

We will not pay any claim if the **total loss** of **your vehicle** occurs outside of this period.

You are covered in the United Kingdom; the Isle of Man; the Channel Islands; any member country of the European Economic Area and Switzerland.

We will not pay any claim if the **total loss** of **your vehicle** occurs anywhere else.

Making a claim

Image shown is for illustrative purposes only.
Vehicle shown is not UK specification.

When **your vehicle** is declared a **total loss**, please contact **us**. **You** will need **your certificate of insurance** and vehicle registration to hand. **You** can contact **us**:

Online: vwcvgapclaims.co.uk

By email: claims@vwcv-gapinsurance.co.uk

By telephone: +44 330 400 1629

In writing: Volkswagen Commercial Vehicle GAP Insurance,
1 Victoria Street, Bristol Bridge, Bristol, BS1 6AA

If **you** contact **us** by email, telephone or post, **we** will register **your** claim and send **you** a Claims Declaration. **You** will need to sign it and return it to **us** before **we** can pay any claim.

Remember – You need to contact us before accepting any settlement offer made to you by your motor insurer. If you don't, this could reduce the amount of any settlement we make.

In order for **us** to assess **your** claim, **we** will need copies of:

- **Your** motor insurance policy certificate and schedule.
- The motor insurance settlement letter and confirmation that payment has been made.
- The original purchase invoice for **your vehicle**.

If **your vehicle** was purchased using a **finance agreement**, **we** will also need:

- A copy of the **finance agreement**.
- Confirmation of the **outstanding balance** at the date of **total loss** from the **finance company**.

If **your vehicle** was leased or hired, **we** will also need:

- A copy of the **lease or hire agreement**.
- Confirmation of the **early termination charge** from the **lease hire company**.

Depending on **your** circumstances, **we** may require additional information or documentation so that **we** can pay **your** claim. To avoid delays, documentation should be provided to **us** as soon as **you** are able. All documentation will need to be supplied at **your** own expense.

Need to know about making a claim

- If the motor insurance settlement is less than the **value** of **your vehicle**, **we** will ask **you** to provide authority to **us** to contact **your** motor insurance policy provider or third party's motor insurance provider to negotiate an increase to the motor insurance settlement on **your** behalf.
- If **you** decline the offer of a replacement vehicle under **your** motor insurance policy, or if **your vehicle** can be replaced by the manufacturer but **you** choose not to do so, **we** will settle **your** claim using the price of the replacement vehicle offered according to the manufacturer's list price. This may result in no settlement being paid.
- If **you** are the first registered keeper of **your vehicle** and **your** motor insurance policy provider is unable to provide **you** with a replacement vehicle, **we** will require confirmation of the reason they cannot.
- If **negative equity** is included in the **finance agreement**, this will be removed from **our** settlement calculations as it is not covered under this policy. For example, if the **outstanding balance** at the date of **total loss** is £15,000, and £5,000 of that is **negative equity**, **we** will calculate **our** settlement using the sum of £10,000.
- If the **total loss** occurs as a result of malicious damage, or if **your vehicle** is taken without **your** authorisation, **you** will have to report it to the police and obtain a crime reference number.
- If **you** retain **your vehicle** after any motor insurance settlement is paid, **we** will reduce the amount that **we** pay by the price of the vehicle retained by **you**.

Changes, transfers, cancellations and complaints

Vehicles shown are not UK specification.

Changes in circumstances after purchase

We want to be able to pay **your** claim, but if **you** do not tell **us** about a change in **your** circumstances and **you** or **your vehicle** become ineligible for cover, **we** might not be able to. If **you** contact **us** however, **we** will be able to let **you** know if **you** are still covered.

If any of the changes in circumstances listed below occur after **you** purchase this policy, **you** should contact **us** by email on customersupport@vwcv-gapinsurance.co.uk or by telephone on +44 330 400 1629.

- **You** change, return or transfer ownership of **your vehicle**.
- **You** change what **you** use **your vehicle** for (for example, if **you** start using it for **hire and reward**).
- **You** make any modifications to **your vehicle**.
- **You** change the registration number of **your vehicle** to a cherished number plate.
- **You** change **your** address.
- **You** change **your** name (for example, due to marriage).
- **Your** motor insurance policy is declined, cancelled, or changed (for example, to third party only cover).
- The **finance agreement** or **lease or hire agreement** is cancelled, paid off or reaches its scheduled expiry.
- **You** develop any problems that affect **your** ability to drive.

If **you** advise **us** of a change in **your** circumstances and **you** or **your vehicle** become ineligible for cover, **we** will cancel **your** policy and let **you** know if **you** are entitled to a partial refund.

How to transfer

If **you** are provided with a replacement vehicle as part of a motor insurance settlement, under a manufacturer's or **Volkswagen Van Centre's** warranty, or because **your vehicle** fails to work as intended, **you** can transfer this policy to the replacement vehicle. The transfer has to occur within 24 months of the start of this policy, and if **you** have chosen to pay the premium in instalments, all payments need to be up to date.

You will need to contact **us** by email on customersupport@vwcv-gapinsurance.co.uk, or by telephone on +44 330 400 1629 within 30 days of the date **you** take delivery of the replacement vehicle.

You will need to provide a copy of the original purchase invoice for **your vehicle** and a copy of the purchase invoice for the replacement vehicle. If a copy of the purchase invoice for the replacement vehicle is not available or applicable, **you** will need to provide a copy of the V5 document instead.

If **you** would like to transfer this policy an administration charge of £22.00 will apply, although **you** will not have to pay anything if **your vehicle** fails to work as intended or is replaced by the manufacturer or **Volkswagen Van Centre**.

Our Administration Team will tell **you** how **you** can pay when **you** contact **us**.

You can also transfer this policy to an immediate family member (i.e., parent; spouse; civil partner; son or daughter) without incurring a charge, provided no money is exchanged, the **finance agreement** or **lease or hire agreement** does not need amending and the new keeper becomes responsible for the upkeep of **your vehicle**. Please note that documentary evidence (i.e., proof of address; birth certificate, etc.) may be required to support the transfer and any documentation will need to be supplied at **your** own expense.

If this policy is transferred to a replacement vehicle we will refer to the replacement vehicle as your vehicle from the date the transfer is completed. The start date and the period you are covered for won't change, and either the amount you originally paid for your vehicle or the original lease or hire agreement (depending on which is applicable to your vehicle) will be used to calculate any future claim.

How to cancel

If this policy does not meet **your** needs **you** can cancel it at any time.

If **you** cancel within 30 days of receiving **your** policy documents and **we** have not made any payment, **we** will provide a full refund of the premium **you** have paid.

In addition to **your** statutory rights, if **you** cancel this policy at any time after the first 30 days and **we** have not made any payment, **we** will provide a refund of the unused portion of the premium **you** have paid. Any refund will be calculated on a daily pro-rata basis from the date **we** receive the letter, email or phone call of cancellation.

If **you** cancel this policy at any time after the first 30 days an administration charge of £22.00 will apply.

If **you** have a Volkswagen Commercial Vehicle combined return to invoice and outstanding finance GAP Insurance policy the standard duration of this policy is 36 months. However, if the purchase of **your vehicle** was financed under a **finance agreement** and this is still outstanding after 36 months, additional cover will be provided up to a maximum of 60 months. As the period of additional cover is provided at no additional charge, **you** will not be entitled to any refund for the cover provided to **you** in months 37 – 60.

If **you** have a Volkswagen Commercial Vehicle lease hire GAP Insurance policy, refunds will be calculated using the period of cover noted on **your certificate of insurance**.
